مؤسس هذه المجموعة من الشركات السيد أمير محمد جمال هو محاسب متقاعد وهو المستشار المالي والمشاريع والمشاريع الريادية، وهو عضو رسمي وممثل لشركة أسيمي العربية للتمويل أبوظبي - الإمارات العربية المتحدة.

Our companies group has since its beginning successfully realized the Finance management in projects for construction and engineering as representative of private and public project owners. Additionally,, Our companies group has acted and is acting as project developer for the realization of concepts for building construction, civil and consulting engineering as well as for integrated concepts such as Real Estate Loans, Governmental loans, Industrial Loans, Business Loans, and Personal Loans and is also active as a private construction developer.. our projects.

وقد عملت مجموعة شركاتنا وتعمل كمطور مشروع لتحقيق مفاهيم البناء والتشييد والهندسة المدنية والاستشارية وكذلك للمفاهيم المتكاملة مثل القروض العقارية والقروض الحكومية والقروض الصناعية والقروض التجارية، والقروض الشخصية و أيضا نشطة كمطور البناء الخاص ..مشاريعنا.

The economical, Finance architectural and constructional know how and long-term experience for financing building construction, Businesses project, industrial, Real Estate and private project. as well as constructional redevelopment has enabled Our companies group to realize a variety of projects as turn-key general contractor in Europe, Asia, and Africa, Arabic Türkey ,İran , Iraq , Syria ,Morocco ,, in this regard, we have a notarized list of references, and especially abroad, including various projects as leading project management and project controlling company.

الاقتصادية والمالية المالية والبناءية تعرف كيف وتجربة طويلة الأجل لتمويل بناء المباني والمشاريع التجارية والصناعية والعقارات والمشاريع الخاصة .فضلا عن إعادة البناء الإنشائي مكنت مجموعة شركاتنا من تحقيق مجموعة متنوعة من المشاريع كمقاول عام رئيسي في أوروبا وآسيا وأفريقيا والتركية العربية وإيران والعراق وسوريا والمغرب ،، وفي هذا الصدد، لدينا توثيق قائمة المراجع، وخاصة في الخارج، بما في ذلك مشاريع مختلفة مثل إدارة المشاريع الرائدة ومشروع السيطرة على الشركة.

Since 2000 Our companies group has extended its range of activities into the sector of sea waves panels Electric Energy Technology with special focus on ABOUT,
There was a Project Mr. AMIR MUHAMMAD JAMAL worked on for months, with his partner Prof.. Dr Ali musa .. ,, this projects about to obtain electric energy ,, and we were able to ,, we got certificate of patent about it on us ,, we have 3 electrical energy projects .

1- ARCHITECT ALTERNATIVE ENERGY RESOURCE
Utilizing Archimedes' laws, a system that transforms potential forces into kinetic energy by disturbing force balances,
This system is a system that maintains the continuity of the movement without giving any power from outside the system, it is a system that generates electricity as much as the number of arcs and Newton meter weight,
This invention brings the end of fossil fuels in the world,
Now, Our Partner Prof. Dr Ali musa is doing to ready , preparing visual demostration, presentation of prototypes,
2- Sea waves panels , electrical energy Project . 3- River bed panels electrical energy Project ,, with these systems is very cheap,, it has the power for will provide illuminate a country , I also received an award from the Royal Academy yesterday on the topic of this projects ,,, solar energy, wind power and and mekotrans and geothermal facilities.
This activity is being executed in cooperation with some of the leading technology suppliers in the respective sector and is growing constantly within the last three years.
The work flow of Our companies group normally consisted the complete responsibility for realization of constructional projects (turn-key), especially project development and realization controlling in accordance with all constructional and economical aspects. The current partners of Our companys group ,have an extensive network of subcontractors and specialists in order to deliver the turn-key construction required by its clients.

OUR COMPANIES GROUP . supports you in the negotiation procedures with the construction companies that will realize the respective lots/ subcontracts in your project. Also we can provide finance for all your and our projects
OUR COMPANIES GROUP . is acting as consultant and advisor in the selection of adequate financing for a project and also assists in the realization of the contracts for the long-term guarantee liabilities of the contracted construction companies.
OUR COMPANIES GROUP . supports you prior to the contractual phase of a project in the optimization of the project and in the development and selection of alternatives with similar quality but lower costs, with special focus on the design and engineering concept, the list of construction material and the construction workflow procedures etc.
